

## THE GOLD UV SLIMFIT CYLINDERS

Like all the Gold UV cylinders, the versatile Slimfit Range are designed with performance in mind and, at only 475mm wide, is one of the slimmest on the market.

The benefits of UV Gold Slimfit cylinders are:

- Full KIWA products approval
- All vessels constructed from Duplex stainless steel
- All vessels guaranteed for 25 years
- A range of 6 Slimfit cylinders from 150 litres to 210 litres
- Complete with comprehensive controls and fixing kit
- All vessels are pickled to ensure longer life
